2023-24 Offer Exhibition

Stanford | ENGINEERING
Computer Science

March 15, 2024

Dear

Congratulations! We are pleased to offer you admission to the **Full-Time** Master's degree program in the Computer Science Department beginning Autumn Quarter 2024-2025.

Information on housing, health insurance, financial aid and visas can be found in the Gateway for New Graduate Students. Please note that your admission to the Computer Science Master's Program does not guarantee funding. Stanford Master's students can often get assistantships to pay for tuition, but these teaching and research assistantships are arranged only once you are a registered student and are negotiated one quarter in advance. Financial aid is in the form of student loans and is available to qualifying U.S. citizens or permanent residents.

Dear

Congratulations! We are pleased to offer you admission to the **HCP** Master's degree program in the Computer Science Department beginning Autumn Quarter 2024-2025.

Information on housing, health insurance, financial aid and visas can be found in the Gateway for New Graduate Students. Please note that your admission to the Computer Science Master's Program does not guarantee funding. Stanford Master's students can often get assistantships to pay for tuition, but these teaching and research assistantships are arranged only once you are a registered student and are negotiated one quarter in advance. Financial aid is in the form of student loans and is available to qualifying U.S. citizens or permanent residents.

Carnegie Mellon University
Robotics Institute

Canada

Dear

Congratulations! You have been accepted to the Master of Science in Computer Vision (MSCV) program in The Robotics Institute at Carnegie Mellon University.

If you accept this offer, you will complete the MSCV degree requirements in 16 months, with coursework completed in three full-time semesters and an internship during the summer. This offer of admission is for an August 2024 start date. The MSCV program does not offer admission deferrals, so you must reapply if you wish to start the program later.

UNIVERSITY OF CALIFORNIA, BERKELEY

BERKELEY • DAVIS • IRVINE • LOS ANGELES • MERCED • RIVERSIDE • SAN DIEGO • SAN FRANCISCO   SANTA BARBARA • SANTA CRUZ

Lisa García Bedolla
Vice Provost for Graduate Studies and
Dean of the Graduate Division
University of California, Berkeley
424 Sproul Hall
Berkeley, CA 94720-5900

Congratulations! I am delighted to offer you admission to graduate study in the Electrical Engineering & Computer Sciences MEng program, beginning Fall 2024. Please accept my warmest congratulations on the many accomplishments and achievements that have earned you admission to this unique institution. We hope that you will accept our offer.

Dear

Congratulations on your offer of admission to graduate studies at the University of Waterloo! Through your achievements, you have distinguished yourself from a pool of highly accomplished applicants and we are delighted to extend this offer to join the Waterloo community.

We are pleased to offer you admission to the following program:

Program: Computer Science, Master of Mathematics
Term of admission: Fall 2024
Attendance: Full-Time

Computer Science
UNIVERSITY OF TORONTO

February 27, 2024

Dear

Congratulations! We are pleased to offer you admission to our Master of Science in Applied Computing program (MScAC) for the 2024–2025 academic year.

The Master of Science in Applied Computing program is committed to educating the next generation of world-class innovators and thought leaders, eager to translate novel research into practical applications. The MScAC program, housed in the Department of Computer Science, takes a multidisciplinary approach to educating its students, offering several different streams:

THE UNIVERSITY OF BRITISH COLUMBIA

Graduate and Postdoctoral Studies

March 7, 2024

Dear

I am very pleased to formally offer you admission to Graduate Studies at the University of British Columbia. Congratulations on your acceptance.

Degree Program: Master of Science in Computer Science
Program Start Date: September 1, 2024
Expected Minimum Duration of Program: 12 to 24 months

WHY YUCHEN?

Trailblazer for grad school admissions

When I graduated from UofT in 2021, I received offers from **Stanford, CMU, Upenn, UCLA, UofT, and UWaterloo** with a **3.98/4.00 cGPA** and a global ML research **competition win**.

Having successfully navigated the admissions process, I offer actionable insights, strategies, and advice that students can directly benefit from.

Proven track records

I believe in quality over quantity, and the results speak for themselves. My only three students for the 23-24 season were **all admitted to Stanford or UC Berkeley**. Over the past years, I've guided 20+ undergrads to top schools with excellent feedback.
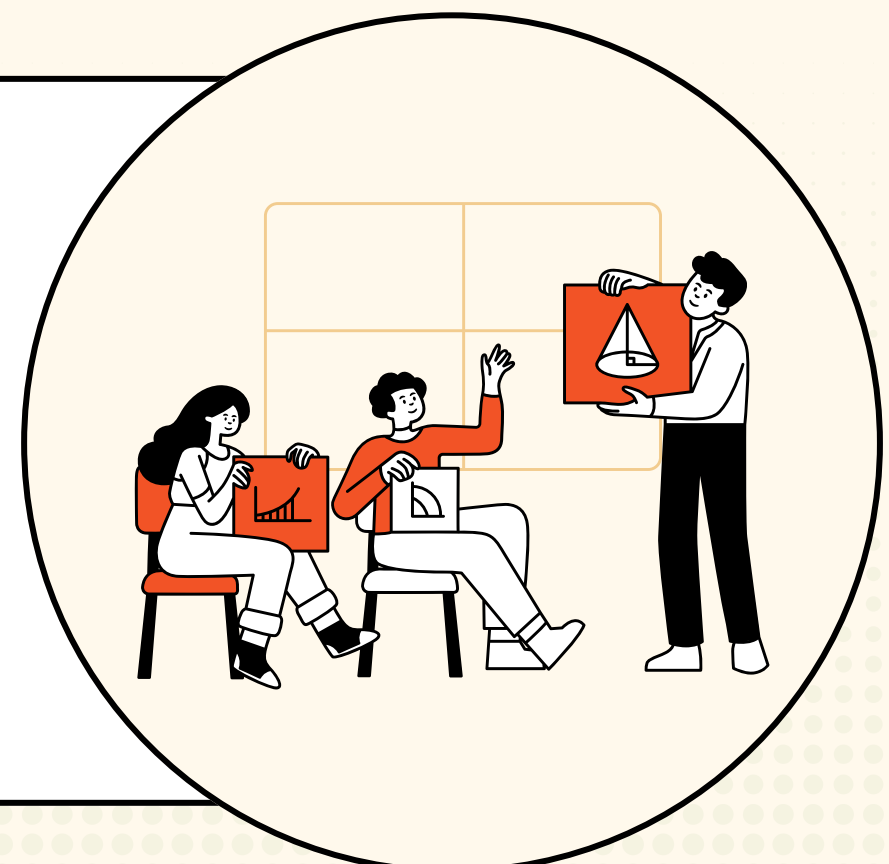

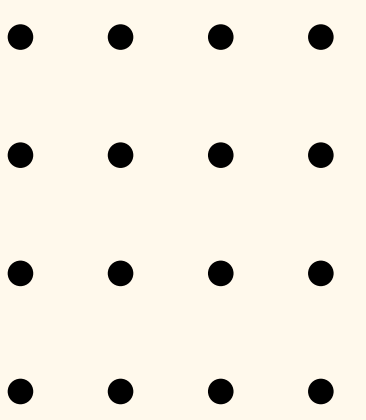

A proven methodology for success

From **polishing your personal statements** with your compelling personal story to getting **strong references** with networking techniques, I guide you step by step to ensure your application stands out.

Enriched resources and support

With a team of **top Master's graduates and PhD students** from various CS subfields, we offer tailored 1:1 mentorship to connect you with the resources you need to succeed.

Academics and life Q&A

(*) and (**) only applies to the Transcend Package (Application + Mentorship)

(**)can apply to the summer before OR after the application season

Student Reviews

Working with Yuchen has been a great experience! She provided invaluable assistance throughout my application process. From offering precise school list to providing detailed editing suggestions for my application materials, especially my statement of purpose, she was always helpful. When I was hesitant about reaching out to referees, she gave useful advice on how to approach them and what to include in the emails. Her support was instrumental in making my application successful. I am grateful for her support and highly recommend her to anyone seeking help with their application process. She genuinely care about her students' success.

★ ★ ★ ★ ★

I was beyond excited to receive offers one after another from Stanford, CMU and UofT! I can't wait to meet Yuchen in-person in California. Yuchen was instrumental in guiding me through every step of the application process, especially when preparing my personal statements, and I'm grateful for all the support I got.

★ ★ ★ ★ ★

I am thankful for all the advice that Yuchen gave me. Her personal experiences helped tremendously in planning my academic journey at Stanford. I learnt about how to join a research project, how to choose courses at Stanford, the logistics of participating in summer internships as a Canadian student on student visa, etc. I am very happy for my experience at Stanford so far, and I will always remember Yuchen's warmth and enthusiasm!

收到 Stanford 的 offer 啦哈哈哈哈哈哈

可以跟学姐在加州见了嘿嘿

恭喜学妹！！

太为你开心啦！！

3/15 9:58 PM

收到 cmu mscv 和多大的

都是顶好顶好的项目！

你和你的家人应该为你骄傲

哈哈哈哈哈哈

也感谢学姐呀 给了不少帮助嘞！

和最初的版本对了一下，简直是没法比😅

Nov 15, 2022 4:33 AM

嘿嘿那就好

那肯定！！！！ 这个很厉害的！！

改文书，需要很大的英语和对英语世界的了解！

Nov 15, 2022 4:39 AM

其实之前老师都是帮我看一遍然后评论一下，所以真的不知道该如何表达我的感激！！！！

雨晨，很感谢你从我大一以来就对我的帮助。我觉得我并不是一个很有规划的人，我也不是一个非常果断的人。我从你的身上学到了很多东西，你的规划、你的果断、你的坚持，我觉得我还有很多东西可以学。

希望我们都可以找到自己的人生目标，然后像你说的，披荆斩棘，锋芒毕露，成为顶天立地的大女人。

3/16 12:50 AM

好感动，有一种姐妹深度联结的感觉🥺共勉！我们会越来越好的

是的 我们一定会越来越好的！

STEPS TO SUCESS

01. **Send your resume and goals to yuchenw@stanford.edu**

02. Book a free 15-min intro call

If your goals align with our expertise, you will receive a link to schedule a meeting with Yuchen, a great opportunity for us to learn more about each other and see if it's a good fit.

03. Choose a package and commit

Select the package that best suits your needs, and complete your contract and payment.

04. Prepare your application

With Yuchen's expert guidance, you'll start preparing a standout application to top grad schools!
